# About Us

## OUR COMPANY

EvidaSolve transforms employers into Talent Magnets - where the best seek to work and employees become life-long advocates.

Is your organization **growing, evolving, changing?**

Are your **leaders** dealing with crisis response, uncertainty, decision fatigue?

Are your **people** dealing with stress, anxiety, overwhelm?

Are **you** striving to **generate sustainable outcomes** despite uncertainty and ambiguity?

We can help! We begin by designing a people strategy aligned with your business strategy. Then, we apply a combination of leadership and communication coaching, power skills training, and employee experience engineering, to deliver measurable impact to your bottomline.

## YOUR FACILITATOR

Dr. Shalini Nag, founder and people strategist at EvidaSolve, brings ~18 years of experience in business management consulting, scientific research and evidence-based teaching and learning methods, to a range of topics on business management and organizational culture.

Her experience in curriculum and training design, group facilitation, individual mentoring and coaching has delivered measurable results at clients across industries ranging from Start-Ups to Fortune 500 companies.

She is committed to equipping individuals, teams, and organizations to achieve their desired outcomes.

## LIVE, VIRTUAL

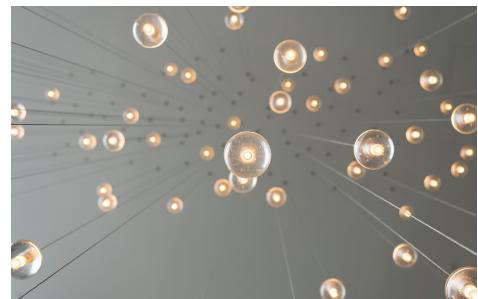

### ONE-TEAM

*Help your team work and feel like they're in the same room ... no matter where they are. As your people shift from on-site to virtual to hybrid work, and navigate the changes in the coming months, the transitions may alter and strain team dynamics. This session will help you rebuild a stronger, more cohesive team.*

### CREATE TOGETHER

*Stuck with unsolvable business problems? Tap into the creativity and expertise of every key member of your organization. This facilitated workshop breaks down organizational silos, gets the right people in the room and generates up to 3 high-probability solutions.*

### CRISIS TO ADVENTURE™

*Our lives and businesses are changing rapidly. Are your people ready to adapt so your business remains relevant and competitive in this fast-changing environment? This workshop equips your people with the cognitive tools and strategies to become change competent so they can help your business thrive in times of uncertainty and change.*

### CULTURAL HUMILITY

*Our innate natures combine with our lived experiences so each of us develops a culture unique to us. We cannot become competent in all 7 billion cultures but if we learn our own culture and master the right conversational techniques, we can find common ground with any person we meet and build strong teams that drive business success, not despite our differences, but because of them.*
